Acupuncturists Inc**

Annual Conference and AGM

Te Papa Tongarewa, Wellington

Friday 22, Saturday 23 and Sunday
24 June 2012

We invite you to join us.

On behalf of the Council and Organising Committee I would like to invite you to support us at the next NZRA Annual conference and AGM which will be held at Te Papa on the weekend of 22 - 24 June 2012. 2012 is the 35th anniversary of the founding of NZRA and over the course of the weekend we will be looking back a little at our achievements over the years as well as celebrating the growth of Chinese Medicine in New Zealand.

We have returned to Te Papa this year at the request of many of our members. There is no doubt it is a superior venue but without the support of companies and groups such as yours, we would not be able to successfully run our conference. There are a number of different opportunities to be involved, ranging from the donation of gifts or spot prizes for conference delegates through to attendance at the conference for the full weekend. This is your opportunity to meet directly with members of the profession from throughout the country and to promote your product or service.

Whilst our line-up of presenters is still being finalised, our aim is to include all aspects of Chinese Medicine, including Acupuncture, Chinese Herbal Medicine, Tuina, Taiji and Qi Gong. The emphasis will be on the clinical aspect of our medicine and in looking after ourselves as practitioners so that we can best look after those who come to us for treatment.

Thank you for your past support and we look forward to having you join us again in 2012.

Warm regards,

Paddy McBride

President – NZ Register of Acupuncturists

NZRA Conference and AGM

Te Papa Tongarewa, Wellington

22, 23 and 24 June 2012

New Zealand Register of Acupuncturists is the oldest and largest professional body representing traditional acupuncturists and practitioners of Chinese Medicine in the country. We would like to invite you to consider being a sponsor of our very popular conference – there are a number of ways to be involved:

- A Trade Exhibit for all or part of the weekend (includes a half page advertisement in the Journal and acknowledgement in the Conference Programme)
- Advertising in the NZRA Journal (distributed to all NZRA members in April 2012)
- Advertising in the Conference programme
- Provision of promotional material or flyers for inclusion in delegate satchels
- Provision of spot prizes to be given to delegates at the social event on Friday evening.

Having a trade exhibit allows you the opportunity to meet directly with your customers, introduce new products and services, make new business contacts, exchange information and gather knowledge and to strengthen your relationships with existing customers

All trade exhibitors will be set in the same area as morning and afternoon teas and lunch are served, thus maximising the opportunity to promote your products to those attending the conference.

Cost includes morning and afternoon tea and lunch for one person. Extra meal passes can be purchased upon request to the organisers.

Full information about set up and facilities will be forwarded to you once we have received your registration or expression of interest.

The NZRA Journal is sent to every NZRA member as well as to the different schools of TCM and other interested parties such as ACC, the Ministry of Health and the Councils or Boards of other professions such as the Osteopaths and Chiropractors.

Specific requirements for advertising will be forwarded to you once we have received your registration or expression of interest.

All sponsors of our Conference will be acknowledged in all promotional material which will be sent out regularly to the NZRA membership in the lead up to the conference, as well as on the NZRA website and our Facebook page.

Please complete the accompanying Trade Exhibitor Registration form and return it by email or post.
